

Harlequin Super Clear Floor Tape

Harlequin super clear floor tape is a single-sided professional tape designed to withstand high and low temperatures. This tape offers very good resistance to water and abrasion which makes it ideal for use on stages and in dance studios. This professional Polythene floor tape has a gloss finish and is designed to be used for joining or taping down Harlequin vinyl performance floors.

Super Clear Floor Tape

- Gloss finish
- Durable
- Abrasion resistant
- Water resistant
- Flexible

Some surfaces can cause the adhesive to transfer, always test on a small area first. Tapes stored below the minimum recommended temperature will require warming up to that level before use.
